Instructions For Online Test

1. This hall ticket is valid only for the examinations mentioned in the table above.
2. Please check all the information given in this hall ticket carefully. If there is any discrepancy in your course package or identification information, please contact [support@bits-pilani.ac.in](#)
3. You must keep this hall ticket during the examination along with one of the government issued photo identity card like Aadhaar, Passport, PAN or Driving License. You will be required to show it to the proctor at the time of examination.
4. You are required to have a Laptop / Desktop with an embedded Camera and microphone, a mobile phone with working front and back camera, smooth and uninterrupted internet connection.
5. Please check the course number and course title that appear on the question paper and ensure it is the same as per hall ticket.
6. For online proctored examinations, you should login using the link at the scheduled time and submit your Photo & ID Proof for the cross verification by the proctors. Please do not use any proxy services.
7. Refer to the Online Proctored Examination Instructions & Test Guidelines for taking Online Proctored Examination, Process Manual for Taking Online Proctored Examination.
8. For certain course exams, you should enter your responses directly into the text box provided for each question. Be mindful of formatting and any specific instructions given in the question paper.
9. Proctor (Invigilator) will be your first point of contact for all your support requirements during the exam. You can chat with Proctor through the Chat option during the examination.
10. The below activities are **strictly NOT permitted** during the exam:
 - Using Bluetooth / Headphones / Earphone / Smart Watches / Kindle / iPods during the examination.
 - Someone standing / sitting near the student.
 - Student talking to someone.
 - Mobile Phone usage is strictly not allowed during the exam. You will be given specified time period for scanning and uploading the hand written answers on the online examination platform.
 - Moving away from Camera and thereby from the Proctors supervision.
 - Face not visible to the proctor (In such case, student should readjust the focus of the Camera to make their face visible to the proctor).
 - Use of Dual Monitors / Additional Screens / Extended Monitors.

• Usage of ANY messaging application (example - WhatsApp, Telegram, Signal, Chat GPT or any other messaging services) during the examination.

• Internet searches and referring to other websites.

• Not completely adhering to or following proctor's instructions.

11. I have carefully read and understood the institute's policies, instructions and guidelines pertaining to examinations. I will use my mobile phone solely for the purpose of
